Affidavit for Mercury Content

All R&D Systems Controls and Calibrators are manufactured without using any mercury compounds in the processes. No mercury compounds are added to these products.

R&D Systems is a registered Medical Device Establishment under the U.S. Food, Drug and Cosmetic Act; registration number 2182501. R&D Systems is routinely inspected by the FDA. Our products are manufactured under the Food and Drug Administration's Good Manufacturing Practices Regulations, they are freely marketed in the U.S. and are, to the best of my knowledge, in compliance with all U.S. laws and regulations.
